Installing a License

The screenshot shows the Microchip Direct website interface. At the top, there is a navigation bar with the Microchip logo, the text "brought to you by MICROCHIP", and user information including "Welcome" and "My Account". The location is set to "United States". Below the navigation bar are menu items: PRODUCTS, APPLICATIONS, SERVICES, VOLUME PRICING, PROGRAMMING CENTER, and SUPPORT. A search bar is present on the right side of the navigation bar.

The main content area is divided into two columns. The left column contains a list of product categories with expandable arrows:

- 8-bit PIC® Microcontrollers
- 16-bit PIC®MCUs & dsPIC®DSCs
- 32-bit PIC Microcontrollers
- Touch and Input Sensing
- Analog
- Interface
- Data and Video Transceivers

The right column is titled "My Software Products" and displays a table of software licenses:
